**Section 1. Short Title**

This bill may be cited as “FY23 USG Operational Budget”

**Section 2. Background**

The Director of Finance worked to prepare an Operational Budget for USG, as well as the other budgets for Student Life Collaboration, USG Legislative, USG Executive, and USG Judicial Branch. Three of the four budgets: USG Legislative, USG Executive, and USG Judicial Branch are for various branches of USG to fund yearly expenses. The fourth budget is the Student Life Collaboration (Programming) budget. This is a collaborative budget in which USG partners with the Division of Student Life to help pay for other various expense incurred by the University of Iowa.

Each branch of USG offers a breakdown budget on how the funds will be spent. The Student Life Collaboration (Programming) budget will go toward USG and Student Life partnered projects. The Division of Student Life Collaboration budget will be allocated by the Programming Budget Review Committee and presented to the Senate no later than the first Senate session of the Fall 2022 semester.
